Teacher's Notes & Tips**Teaching Strategies:**

- Encourage AYSE to speak in complete sentences, not one-word answers
- Focus on fluency and correct use of "have / has" in present perfect
- Provide gentle pronunciation correction (e.g., "tired", "excited", "cloudy")
- Use visual aids for weather vocabulary when possible
- Practice the difference between "How are you?" and "How do you feel?"

Common Challenges:

- Students often confuse present perfect with simple past
- Irregular past participles need repeated practice
- The concept of "unfinished time" can be abstract
- Pronunciation of "-ed" endings in regular past participles

Homework Notes:

- Homework can be handwritten or typed
- Encourage creativity in the writing tasks
- Provide positive feedback on effort and improvement
- Review common errors in the next lesson
