PART D – SPEAKING TASK (RECORD 2–3 MINUTES)

Topic: “My Own Experience with One of These Ideas”

Choose **ONE** concept:

- Cognitive Dissonance
- Confirmation Bias
- Impostor Syndrome

Structure your recording:

1. Define it in your own words (1–2 sentences)
2. Give a personal example (real or imagined)
3. Explain how you handled (or could handle) it
4. End with one piece of advice for a friend

Record in a quiet place. Speak clearly. Send the audio file.

SUBMISSION CHECKLIST

- 20 vocabulary audio clips
- MCQ answers
- Fill-in-the-blank answers
- 2–3 minute speaking recording

Hand in everything in 7 days. Good luck, Ihsan!
