

DAY 3: PHRASAL VERBS IN CONSTRUCTION & BUSINESS

Teacher: AHSAN | Student: ILHAN (B2 level)

TODAY'S TOPIC

Phrasal Verbs for Projects, Teams, and Deals

(Why? You run a construction company → you negotiate, manage sites, and close contracts every day.)

1. CORE VOCABULARY (10 Phrasal Verbs)

Phrasal Verb	Meaning	Example in Construction
set up	establish / install	We set up a new crane on site yesterday.
carry out	perform / execute	The team carried out the safety inspection.
speed up	make faster	We need to speed up the foundation work.
hold up	delay	Bad weather held up the delivery of steel.
break down	fail / stop working OR analyze	The excavator broke down again. / Let's break down the budget.
draw up	prepare (document)	Our lawyer will draw up the contract.
put off	postpone	The client put off the meeting until Friday.
take on	hire / accept (job)	We're taking on 20 new workers.
sort out	solve / organize	I'll sort out the permit issue today.
wrap up	finish	Let's wrap up Phase 1 by December.

2. MINI-LESSON: SEPARABLE vs. INSEPARABLE

- **Separable** → object can go **between** verb + particle
→ "Draw **the contract** up" OR "Draw up **the contract**"
- **Inseparable** → object **after** particle
→ "We **took on** new staff." × "took new staff on"

Quick Rule: If the object is a **pronoun**, it **must** separate:

Draw **it** up.

× Draw up **it**.

3. PRONUNCIATION DRILL (Record yourself!)

1. **set up** – /set p/

2. **carry out** – /kæri at/
3. **hold up** – /hld p/
4. **wrap up** – /ræp p/

4. EXERCISES (Do ALL – 30 min)

A. Fill in the Gap (use correct form)

1. The architect _____ (draw up) the final blueprints last night.
2. Rain _____ (hold up) the roofing work for two days.
3. We need to _____ (speed up) the concrete pouring before winter.
4. Can you _____ (sort out) the payment delay with the supplier?
5. They _____ (take on) three new engineers this month.

B. Rewrite with Pronoun (Separable only)

6. We set up the scaffolding. → We _____.
7. She drew up the contract. → She _____.
8. They wrapped up the meeting. → They _____.

C. Sentence Creation (1 sentence per verb – use in YOUR company)

9. **break down**
10. **put off**
11. **carry out**
12. **wrap up**

5. FLUENCY CHALLENGE (Speak 2 min – record on phone)

Topic: “Describe a project delay you faced and how you solved it.”

Must use AT LEAST 5 phrasal verbs from today.

Example start:

“Last month, bad weather **held up** the delivery, so the schedule **broke down**...”

6. HOMEWORK (Submit in 7 days)

PART 1 – WRITTEN (Email to Ahsan)

Write a **150-word email** to a client:

- Explain a **delay** (use **hold up** / **put off**)
- Propose a **new timeline** (use **speed up** / **wrap up**)
- Offer a **solution** (use **sort out** / **draw up**)

PART 2 – SPOKEN (Voice message 60–90 sec)

Record a **voice note** to your site manager:

- Instruct to **set up** safety barriers
- Ask to **carry out** an inspection
- Tell him to **take on** two extra workers

Send both to Ahsan (here) by 10 PM.

FLUENCY TIP OF THE DAY

“Chunk” the phrasal verbs:

Native speakers say “**sortOUT**” (one beat) not *sort – out*.

Practice saying the whole phrase fast:

sort out the problem → /stat ð prblm/

See you tomorrow, Ilhan!

Day 4 Topic: Negotiating Prices & Offers (Modal Verbs + Discounts)
